

March Newton MRC Volunteer Opportunities

Red Cross Blood Drives

We have a new partnership to help provide Newton MRC volunteers at Newton American Red Cross Blood Drives. Volunteers can help with registration or at the canteen. The partnership does not include any clinical work. Clinical and non-clinical volunteers are more than welcome to volunteer in the registration or canteen roles. Here are the upcoming opportunities.

Wednesday, March 14, Newton Free Library, 330 Homer St.

9 a.m. to 12 noon (arrive 15 minutes early for your shift)

12 noon to 3 p.m. (arrive 15 minutes early for your shift)

Wednesday, March 28, Newton Free Library, 330 Homer St.

1 p.m. to 4 p.m. (arrive 15 minutes early for your shift)

4 p.m. to 7 p.m. (arrive 15 minutes early for your shift)

Community CPR/AED Course

We're having a CPR/AED class for the community on March 11. It's the American Heart Association Family & Friends course. We're opening this up to 100 participants and have ¼ of the spots filled already, so we need lots of help! Volunteers can help in two areas:

Facilitators will help participants practice CPR/AED use in small groups of 4-6 people. Volunteer Facilitators should be familiar with performing CPR because they're clinically licensed or have completed CPR classes in the past. We will have a refresher for facilitators before we start to make sure you're updated on all the latest information.

Assistants will help check participants in, setup mannequins and signs, greet participants as they arrive, help clean up, etc.

Sunday, March 11, Newton North High School Cafeteria, 457 Walnut St.

12 noon to 4:30 p.m.

Call or email Teresa if you can volunteer.
